

# Conjunctions of Comparison

## Similarly

Similarly means “likewise”, “in like manner”. We can use it to make comparison.

- Similarly, our football team is not so good.
- My friend was late to the meeting and I similarly was delayed.

## Comparable

Comparable means “similar in amount, size etc...”. We can use it to make comparison.

- The two apple aren't comparable.
- it was comparable to being eating.

## In the same way

In the same way means “likewise”, “the same”.

- Everyone in my family thinks the same way.
- You can also help someone else the same way.
