

# Using Until

‘Until’ is used to indicate whether another event will take place until an event occurs. The sentence after the word ‘Until’ is the sentence that expresses the process and takes the suffix to ‘until’.

- She played basketball from 11:00 until 12:00.
- You can keep the laptop until Monday.
- This notebook muts go back to the my home by Thursday.
- The movie goes on until 10:30.
- Tom wait until the television is opened.
- You will work until the session starts.
- They will stay here until the snow stops.
