

Using **Wherever**

The word ‘**Wherever**’ should be learned carefully like other patterns and the use of ‘**wherever**’ should be known. Let’s look at examples related to ‘**wherever**’:

- As the lower parts of English houses and shops are open both front and back, they watched these small gardens as they pass through the streets and could not visit wherever better observed than others.
- Because wherever you are today, you still owe everything to God and owe two people. These two very special people are your mother and wife.
- Appreciation is the highest form of prayers. Thankful thoughts acknowledge the existence of good wherever light shines.
- And I am happy to say that I can find black, non-white people wherever I go, they are just people. This is wherever I am and the house I plan to stay in.
- We all deserve greater peace of mind, knowing that our children are better protected wherever they are.
- All free women are citizens of the world, wherever they live. So as a free woman, “Long live life!”
